## Distance learning school plan

*No interaction with students in class*

<b>Elementary:</b>
Students online with you based on your schedule that you have shared with them
Teach whole class with them muted
When you ask if there are questions, include them before/after class students
Assignments and tests are exactly the same
Online aide can assist you to get assignments, etc. to them
Attendance is taken each day; full curriculum will be delivered and graded accordingly
State assessments will be done at school by appointments
School assessments will be given according to the teacher's directions
Have them join you on Fridays if needed; Office Hours 9-11
<b>Jr High:</b>
Students online with you every period -- for as long as you need them
Teach whole class with them muted
When you ask if there are questions, include them before/ after class students
Assignments and tests are exactly the same
Have them join you on Fridays if needed; Office Hours 9-11
Attendance is taken each day; full curriculum will be delivered and graded accordingly
School assessments will be given according to the teacher's directions
State assessments will be done at school by appointments
